Comment	ALP Leicester aims to create flexible, individualised programmes of learning support for children and young people who, for a variety of reasons, are unable to access mainstream education. From the point of referral, we focus on the special educational needs and disabilities (SEND) of the learner and on family support, in order to provide the most effective and appropriate educational intervention.  We specialise in emergency, short, medium and long term education placements of young people with SEND including (but not limited to) Autistic Spectrum Disorder, Social, Emotional and Mental Health and challenging behaviours.  Our overall aim is to reintegrate learners into suitable, long term education. To achieve this, ALP Leicester provides a more informal and nurturing approach to teaching and learning where dedicated tutors develop a close working relationship with the learners and their families.
